

## PATRIOTS 'STORMED' THE CAPITAL! STOP SHAMING THEM!

Lot of people here pointing fingers at  people that finally did what we were all thinking!

If Antifa led them into the Capital, then we could use them again and again, IMO!

Nothing changed the vote or the media's opinion. Had they not gone in, the narrative would be the same. All it did was give them an "excuse" to fuck us over. So stop complaining about the Trump supporters that were "fooled." I support them and I won't be gaslighted by the people on here that like to claim they didn't support them in the stickied thread yesterday. I know what I saw. 95% or more were ready for heads to roll.

Also, anyone who thinks GEOTUS wasn't going to be banned from posting after the results needs to 'catch up'!
